

Calvin Harris & Sam Smith, Promises

are you drunk enough
not to judge what I'm doing
are you high enough
to excuse that I'm ruined
cause 'm ruined
is it ate enough
for you to come and stay over
cause we're free to love
se tease me

I make no promises
I can't do golden rings
but I'll give you everything
tonight

magic is in the air
there's ain't no science here
so come get your everything
Tonight

I make no promises
I can't do golden rings
but I'll give you everything
tonight

magic is in the air
there's ain't no science here
so come get your everything
Tonight

is it loud enough
cause my body is calling for ya
calling for ya
I need someone
to do the things that I do
I;m heating up
energy's taking control
I'm speeding up
my heartbeat's dancing alone

I make no promises
I can't do golden rings
but I'll give you everything
tonight

magic is in the air
there's ain't no science here
so come get your everything
Tonight

I make no promises
I can't do golden rings
but I'll give you everything
tonight

magic is in the air
there's ain't no science here
so come get your everything
Tonight

cause I need
your green light
day and night

say that you're mine

I make no promises
I can't do golden rings
but I'll give you everything
tonight

magic is in the air
there's ain't no science here
so come get your everything
Tonight

I make no promises
I can't do golden rings
but I'll give you everything
tonight

magic is in the air
there's ain't no science here
so come get your everything
Tonight
