

# Calvin Harris, Summer

When I met you in the summer  
Took my heartbeat's sound  
We fell in love  
As the leaves turned brown  
And we could be together baby  
As long the skies are blue  
You act so innocent now  
But you lied so soon  
When I met you in the summer

[Instrumental]

When I met you in the summer  
Took my heartbeat's sound  
We fell in love  
As the leaves turned brown  
And we could be together baby  
As long the skies are blue  
You act so innocent now  
But you lied so soon  
When I met you in the summer

[Instrumental]

When I met you in the summer  
Summer...
