

# Camila Cabello, Dream Of You

He's a bad dancer  
He's a right answer  
He's a shy singer  
And most of the time it's just him and I  
He's an over-thinker  
He's a slow kisser  
I convey, it's in him  
All of the time when it's him and I

And you squeezed my hands two times, three times  
And believe me, I love you always, always

All I do the whole day through is dream of you  
All I do since I met you is dream of you  
So, could you stay with me, lay with me talking 'bout nothing  
All I do the whole day through is dream of you

I was not living  
I was just writing about it  
With my head spinning  
Days passing by most of the time, yeah

And you squeezed my hands two times, three times  
And believe me, I love you always, always

All I do the whole day through is dream of you  
All I do since I met you is dream of you  
So, could you stay with me, lay with me talking 'bout nothing  
All I do the whole day through is dream of you

I dream of you, I dream of you  
I dream of you, yeah, only you  
I dream of you, yeah, only you  
I dream of you, oh

Please say you dream of me too  
Can you please say you dream of me too

All I do the whole day through is dream of you  
All I do since I met you is dream of you  
So, could you stay with me, lay with me talking 'bout nothing  
All I do the whole day through is dream of you

I dream of you, I dream of you  
I dream of you, yeah, only you  
I dream of you, yeah, only you  
I dream of you, yeah, yeah, yeah, yeah

All I do the whole day through is dream of you
