[Pre-Chorus]

You really, really know me
The future and the old me
All of the mazes and the madness in my mind

Always thought I was hard to love
'Til you made it seem so easy, seem so easy
Always thought I was hard to love
'Til you made it seem so easy, seem so easy
Touch me 'til I find myself, in a feeling
Tell me with your hands that you're never leaving (No)

'Til you made it seem so easy (Seem so easy)
