

Camila Cabello, Liar

[Verse 1]

I don't care if you're here
Or if you're not alone
I don't care, it's been too long
It's kinda like we didn't happen
The way that your lips move
The way you whisper slow
I don't care, it's good as gone (Uh)

[Pre-Chorus]

I said I won't lose control, I don't want it (Ooh)
I said I won't get too close, but I can't stop it

[Chorus]

Oh no, there you go, making me a liar
Got me begging you for more
Oh no, there I go, startin' up a fire
Oh no, no (Oh no)
Oh no, there you go, you're making me a liar
I kinda like it though
Oh no, there I go, startin' up a fire
Oh no, no (Ooh)

[Verse 2]

You're watching, I feel it (Hey)
I know I shouldn't stare (Yeah, yeah)
I picture your hands on me (I think I wanna let it happen)
But what if, you kiss me? (Yeah)
And what if, I like it?
And no one sees it

[Pre-Chorus]

I said I won't lose control, I don't want it (Ooh)
I said I won't get too close, but I can't stop it (No)

[Chorus]

Oh no, there you go, making me a liar
Got me begging you for more
Oh no, there I go, startin' up a fire
Oh no, no (Oh no)
Oh no, there you go, you're making me a liar
I kinda like it though
Oh no, there I go, startin' up a fire
Oh no, no

[Post-Chorus]

Oh no, no, no
Yeah, don't struggle, no, no
Startin' up a fire

[Bridge]

I don't believe myself when I
Say that I don't need you, oh
I don't believe myself when I say it
So, don't believe me

[Chorus]

Oh no, there you go, you're making me a liar
Got me begging you for more
Oh no, there I go, startin' up a fire
Oh no, no (Oh no)
Oh no, there you go, you're making me a liar
I kinda like it though
Oh no, there I go, startin' up a fire

Oh no, no

[Post-Chorus]

Yeah

Uh, yeah, yeah

Nah, yeah

Oh no, no, no

Oh no, no, no

Oh no, you're making me a liar

'Cause my clothes are on the floor

[Outro]

Huh, huh, huh

Uh

Oh no, no, no

Startin' up a fire
