

# Camila Cabello, Not Killin' It Today

[Verse]

Accidentally made a joke that killed your boner  
And I woke up so hungover  
And I didn't even drink that much last night and I  
Hurt your feelings on the phone 'cause I'm PMSing  
And you sent the sweetest message  
I forgot to reply and I couldn't even tell you why

[Pre-chorus]

Most days I'm hilarious, confident and I don't get jealous  
And I'm sexy and I'm fun  
Most days I'm affectionate  
And I love you like I invented it  
I'm not usually this dumb, but

[Chorus]

I'm just not killin' it today  
No today, it's not my day  
Hahaha gotta laugh  
Someone please give me a break  
It's written on my face  
I wanna cry and eat some cake  
Try again tomorrow babe,  
I'm not killin' it today  
No no no no no, no no no no no no, no no, no  
I'm not killin' it today

[Verse]

Accidentally I sneezed and peed a little,  
Looked in the mirror and my eyes jiggled,  
And it helps when you tell me I'm perfect but not this time

[Pre-chorus]

Most days I'm hilarious, confident and I don't get jealous  
And I'm sexy and I'm fun  
Most days I'm affectionate  
And I love you like I invented it  
I'm not usually this dumb, but

[Chorus]

I'm just not killin' it today  
No today, it's not my day  
Hahaha gotta laugh  
Someone please give me a break  
It's written on my face  
I wanna cry and eat some cake  
Try again tomorrow babe,  
I'm not killin' it today  
No no no no no, no no no no no no, no no, no  
I'm not killin' it today

I'm just not killin' it today  
No today, it's not my day  
Hahaha gotta laugh  
Someone please give me a break  
It's written on my face  
I wanna cry and eat some cake  
Try again tomorrow babe,  
I'm not killin' it today  
No no no no no, no no no no no no, no no, no  
I'm not killin' it today
