

Camouflage, Blink

Waiting's over
Feel it in my blood
And in my veins
All the pleasure and the pain
Is coming back again

Shine a little shine on me
From within I know that
Life's making me a make believe ...

Like a little devotion
Hidden somewhere
Like a thief is waiting for the night
Like a precious emotion
Cautious somehow
Like a thief is waiting for the night

Words unspoken
Floating from your mind
Into your brain
All the feelings, all insane
Drives me on again ...

Shine a little shine for me
From within i know that
Live's making me a make believe ...
