

Camp Rock, Here I am

They tell you a good girl is quiet
That you should never ask why
Cause it only makes it harder to fit in
You should be happy, excited
Even if you're just invited
Cause the winners need someone to clap for them
It's so hard just waiting
In a line that never moves
It's time you started making
Your own rules
You gotta scream until there's nothing left
With your last breath
So here I am
Here I am
Make em listen
Cause there is no way you'll be ignored
Not anymore
So here I am
Here I am
Here I am
Here I am
You only get one life to work it
So who cares if it's not perfect
I say it's close enough to perfect for me
Why should you hide from the thunder
And the lightening that your under
Cause there ain't nobody else you want to be
If how your living isn't working
There's one thing that will help
You gotta finally just stop searching
To find yourself
You gotta scream until there's nothing left
With your last breath
So here I am
Here I am
Make em listen
Cause there is no way you'll be ignored
Not anymore
So here I am
Here I am
Here I am
The world better make some room
Yea move over, over
Cause your coming through
Cause your coming through
You gotta scream until there's nothing left
With your last breath
Here I am
Here I am
Make em listen
Cause there is no way you'll be ignored
Not anymore
So here I am
Here I am
Here I am
Here I am
Here I am
