

# Canaan, Grey

Let the light regenerate  
its power to heal is in the silver  
and the light  
Light to the seventh

Let the darkness degenerate  
its power to hurt is in the gold  
and the dark  
darkness to the ninth

Let the grey submerge  
its power to forgot is in the fire  
and the grey  
grey to the fifth

Let the red heal  
its power to regenerate is in the  
liquid and the red  
red to the eleventh

Let this life wipe you away  
wipe your image away  
bring your memory back  
to the white immaculate sands  
of a self-destructing eve

Grey to the end  
Grey to this sweet end
