

Candi Staton, Young Hearts Run Free

What's the sense in sharing, this one and only life
Ending up, just another lost and lonely wife
You count up the years, and they will be filled with tears
Love only breaks up, to start over again
You'll get the babies, but you won't have your man
While he is busy loving, every woman that he can ("aahh haa")
Say I'm gonna leave a hundred times a day
It's easier said than done
When you just can't break away ("just can't break away")

CHORUS

Ohhhhh
Young hearts, run free
They'll never be hung up, hung up like my man and me ("umm, my man and me")
Oooooh
Young hearts, to yourself be true
Don't be no fool when
Love really don't love you ("don't love you")

It's high time now just one crack at life
Who want to live in, trouble and strife
My mind must be free, to learn all I can about me, ooh
I'm gonna love me, for the rest of my days
Encourage the babies every time they say
Self preservation is what's really going on today ("aahh, hooo")
Say I'm gonna turn loose hundred times a day
How can I turn loose

When I just can't break away ("just can't break away")

CHORUS

CHORUS (fades out at the end)
