

Candy Girl, Say My Name (ft. Violet)

Say my name on 1, 2, 3
I show you how I love it
Won't just come on over here?
I'm gonna let you work up on it

You can see me
You can feel me
You can watch
But you can't touch
I can tell you what I fancy
But I'm gonna make it cheesy

Say my name on
(Say my name on)
Promise without a cover
