## Canned Heat, Wait And See

The sun's gonna shine in my back door someday Just you wait and see, just you wait and see One day you'll cry, I won't come back to you Just you wait and see, just you wait and see

You've got such a great, big beautiful smile I wanna hug and kiss you for a while

The sun's gonna shine in my back door someday Just you wait and see, just you wait and see
