

Cantatonia, Nothing Hurts

Everything is beautiful
And nothing hurts
You at all
You at all

Everything is beautiful
And nothing hurts
In your world
In your world

Words plain with lullaby refrain
So sweet sleep
Enjoy the time you keep

All around is wonderful
And nothing harms
Me at all
Me at all

All around is wonderful

And nothing harms
In my world
In my world

Words plain
With lullaby refrain
So sweet sleep
Enjoy the time you keep

And if you come
I'll follow after all
So sweet calm
Will keep us safe from harm

Everything is beautiful
Everything is beautiful
And nothing hurts
