## Cantus Firmus, Strike A Pose

Verse 1. Bait the trap to catch those who are just trying to help you stay alive Strap me in to your mind-sucking device, apprehend my living eyes

Chorus. You take my mind and you look within all of the time I could never tell you all you need to know There are just some things youll have to find out on your own Youll make it out alright, yeah I believe in you and all your liesyoull be fine

Verse 2. strike a pose, intimidate the ones that you keep close Strap me in to your mind-sucking device, apprehend my living eyes
