

Carach Angren, Der Vampir von Nürnberg

His shadow stalks along the tombstones at night
Sniffing out graves, hungering for what's inside
Led by an obituary towards recent graves still fresh
Exhilarated by the thought of biting into cold dead flesh

Fixated, fascinated by Democritus' experiments
Slowly his spirit grew black-hearted and malevolent
Thin was the line separating psychiatric ward from home
But the cemetery is where he liked to roam

Morgue rat
Morgue rat
Morgue rat
Leichenschauhaus Ratte!

Der Vampir von Nürnberg - Kissing the corpse
Der Vampir von Nürnberg – Human strigoi

Satanic necrophiliac dabbling in the wickedness of the occult
Vampiric heinous murderer spreading death, misery and tumult
Tonguing the cavity of a gunshot wound his most delicious vice
Behold, the vampire of Nuremberg shall rise

Morgue rat
Morgue rat
Leichenschauhaus Ratte!
Morgue rat

Ich krieche wie eine Ratte durch die Nacht
Mal sehen was das Grab mir hat gebracht
Die Leiche ist noch Frisch ich trinke ihr Blut
Oh Gottverdammte das tut richtig gut

Der Vampir von Nürnberg – The gun is his tool
Der Vampir von Nürnberg – Blood-suckingstrigoi
Der Vampir von Nürnberg – Corpse-fucking ghoul
