

# Cardi B, Never Give Up (Ft. Josh X)

[Intro: Cardi B]

Cardi  
Josh X

[Verse 1: Cardi B]

I see the pain in your eyes  
And truth is, only the strong survive  
And you still here, so from here you only gon' rise  
Spread them wings so they can tell you how far you gonna fly  
You don't gotta pop them pills  
I know just how you feel  
I know there's a lot of fake love  
But there's love that's actually real  
But that can't stop you now  
You're already on the battle field  
Took everythin' that came your way  
Almost at the top of the hill, fly, baby, fly

[Hook: Josh X]

Never give up  
We're almost at the top of the hill now  
It took a long time to heal now  
And you know that I know, and you know, and they know  
That we'll never give up  
We're almost at the top of the hill now  
It took a long time to heal now  
And you know that I know, and you know, and they know  
That I will never give up

[Verse 2: Cardi B]

Don't be so quick to just give in  
If you give up now, how you gon' win?  
I know them stressful nights made you and the pills best friends  
I know it feels good, but this shit just got to end  
I'm countin' on you, boo  
Put this peer pressure on you  
If I overcame that shit  
I know you can make it too  
I don't want to see you lose  
There's other ways to heal that bruise  
I know you can make it to see  
What's at the end of the solution, shine, baby, shine

[Hook: Josh X]

Never give up  
We're almost at the top of the hill now  
It took a long time to heal now  
And you know that I know, and you know, and they know  
That we'll never give up  
We're almost at the top of the hill now  
It took a long time to heal now  
And you know that I know, and you know, and they know  
That I will never give up

[Bridge: Cardi B]

Don't jump now  
I come for you  
I'm here for you

[Hook: Josh X]

Never give up  
We're almost at the top of the hill now  
It took a long time to heal now  
And you know that I know, and you know, and they know

That we'll never give up  
We're almost at the top of the hill now  
It took a long time to heal now  
And you know that I know, and you know, and they know  
That I will never give up

[Outro: Cardi B]  
I love you
