

Cardi B, Ring (feat. Kehlani)

ring, ring , ring , ring

you don't hit me line no more
you don't make it ring, ring, ring, ring
I can't keep this on the low
want you to make it ring, ring, ring, ring

should I call first?
I can't decide
I want to
but a bitch got prode
the switchin' up shit is what I can't fuck you
I'm feeling you but you hard to get in touch in, touch while
and you ain't hit me up in a while
acting like you don't know what number to dial
you quiet
the that's it
Ima throw in the towel
cause a nigga only gon do what you allow
you don't want this gun smoke
learn to text with your nose if your thumb broke
I don't care if we get into it
and I stall on your ass
but I still wake up from missed calls
from your ass, nigga

you don't hit me line no more
you don't make it ring, ring, ring, ring
I can't keep this on the low
want you to make it ring, ring, ring, ring

nah, nigga now you gon' have to call me
cause I'm looking at these messages
they all me
acting like there ain't niggas that want me
let another nigga in your spot
and you gon' be hot nigga coffee
you gon' be sick to your
hit me when you free
it's emergency
call me 911
cause right now I'm out here tryna find someone
to ring on my phone
ring on my finger
you acting like you ain't tryna do either
what's a good girl?
watch me turn diva
here goes my heart
I put it on speaker

you don't hit me line no more
you don't make it ring, ring, ring, ring
I can't keep this on the low
want you to make it ring, ring, ring, ring

you used to be on my line
on my tick all the time
love it when you make me feel
like you don't mind when I ain't got time for ya
you know I don't go to my head
I'm only here again in bed
I just love to know you
wanna spend time with me instead
now you all caught up

you all couht up
abd you done left me alone
you was all fed up
ready for the next step
wanna be on your own
said I just miss you
I just miss us
baby all I know is
you don't hit me line no more
you don't make it ring, ring, ring, ring
I can't keep this on the low
want you to make it ring, ring, ring, ring
