I need all my money makers bring that cash out

Don't you see these big ass titties and this ass out?  
I need all my money makers bring that cash out  
I need all my D boys to bring that cash out

Don't you see these big ass titties and this ass out?

[Verse 1]

Lil' trick go bust a band on a bitch  
Now give me all that money you be spending on your chick  
Now give me all that money you be spending on your kid  
Now give me all that money you been stacking for your rent nigga  
I'm just into making money, I ain't into making love  
When you hear that stripper hoe, I'm the one you thinking of  
I'm the bitch they love to hate, I'm the bitch they hate and love  
Yellow bitch I look like Diamond in Playas Club  
You want to be my main squeeze baby, don't you?  
You want to give a bitch a seed baby, don't you?  
You hit the club with 20 Gs baby, don't you?  
And spend that all on Cardi B baby, don't you?  
I need like 10k right now

I need like 50k right now  
All you broke niggas get out the way right now

[Chorus]

I need all my money makers bring that cash out  
I need all my D boys to bring that cash out  
I need all my scammer niggas bring that cash out  
Don't you see these big ass titties and this ass out?  
I need all my money makers bring that cash out  
I need all my D boys to bring that cash out

[Bridge]

Real niggas fuck with me the bad bitches fuck with me  
So if you don't it's probably cause you broke or you ugly  
Real niggas fuck with me the bad bitches fuck with me  
So if you don't it's probably cause you broke or you ugly  
Every time that I'm on the road—popping  
Every time that I do a show—popping  
When I put this pussy on the pole—popping  
Friends want to have these cornrows—popping

[Chorus]

I need all my money makers bring that cash out  
I need all my D boys to bring that cash out  
I need all my scammer niggas bring that cash out  
Don't you see these big ass titties and this ass out?  
I need all my money makers bring that cash out  
I need all my D boys to bring that cash out  
I need all my scammer niggas bring that cash out  
Don't you see these big ass titties and this ass out?
