

# Carla Fernandes, Hasta La Vista

My sweet Romeo  
Turns to into a savage  
On a bad trip  
I Couldn't have to have it

Why do all the best ones  
Turn into the worst  
You don't wanna say  
So i be the first

Little prince  
Tell my about al lis the issues  
You got to whole lot of issies  
Butter save money  
In the world that can fix you  
So .. don't miss you  
Better take with you a tissue

Hasta La Vista  
I don't need you  
Nah nah nah  
Hasta La Vista  
I see ya  
Na na na  
Love ya, need ya  
You.. to kill ya  
Hasta La Vista  
I don't need you  
Nah nah nah

Messed me up so good  
And now i am the bad one  
I've been out of comfort days  
I am still on ....

I should have hit you with you body  
.... Rythmy with my words  
...

Little prince  
Tell my about al lis the issues  
You got to whole lot of issies  
Butter save money  
In the world that can fix you  
So .. don't miss you  
Better take with you a tissue

Hasta La Vista  
I don't need you  
Nah nah nah  
Hasta La Vista  
I see ya  
Na na na  
Love ya, need ya  
You.. to kill ya  
Hasta La Vista  
I don't need you
