

# Carlene Carter, Madness

Oh you sweet Romeo  
'Atta way to go  
Won the heart of the hardest to win  
Well you know I only do it for fun  
Though you never would've gone  
If I hadn't 've wanted you to  
Now you passionate child  
What unusual style  
Won the heart of the hardest to take  
Let me lay down and laugh  
Like a splash in the bath  
You must take me for some kind of fool  
Chorus:  
Whoa-oh it's some kind of madness  
Whoa-oh it's madness  
Whoa-oh it's some kind of madness  
Whoa-oh it's madness  
It's a chance that you take  
The mistake that you make  
Break the heart of the slow heartbreaker  
There'll be lie on your lips  
But a smile in your kiss  
Yeah I feel like there's somethin' I missed  
Oh you sweet Romeo  
Bad way to go  
You got me going, I'm going, you're gone  
Well you know I only did it for fun  
Boy you never would've gone  
If I hadn't 've wanted you to  
Repeat Chorus  
[Instrumental]
