Carlene Carter, Madness

Oh you sweet Romeo 'Atta way to go Won the heart of the hardest to win Well you know I only do it for fun Though you never would've gone If I hadn't 've wanted you to Now you passionate child What unusual style Won the heart of the hardest to take Let me lay down and laugh Like a splash in the bath You must take me for some kind of fool Chorus: Whoa-oh it's some kind of madness Whoa-oh it's madness Whoa-oh it's some kind of madness Whoa-oh it's madness It's a chance that you take The mistake that you make Break the heart of the slow heartbreaker There'll be lie on your lips But a smile in your kiss Yeah I feel like there's somethin' I missed Oh you sweet Romeo Bad way to go You got me going, I'm going, you're gone Well you know I only did it for fun Boy you never would've gone If I hadn't 've wanted you to Repeat Chorus [Instrumental] Repeat Chorus
