

Carlos Santana, Choose

Tell me
What you gonna do
Where you gonna go
You're running out of time.

Hey baby
What's it gonna be
Are you gonna stay
Do you wanna be free.

Choose what ya gonna do
Choose do what you gotta do
Choose what's ya gonna be
Choose, do what ya gotta do.

New day
The time is right
Ya make the move
You do what you gotta do.

You're free
If you wanna be
You'll see
Ain't nothing gonna stop you.

Choose what's ya gonna do
Choose, do what ya gotta do
Choose what's ya gonna be
Choose, I believe to my soul that ya gotta be free.

New day
Time is right
Ya make the move
Do what ya gotta do.

You're free
If you wanna be
You'll see
Ain't nothin' gonna stop you.

Choose what you gonna do
Choose do what you gotta do
Choose what you gonna do
Choose do what you gotta do.
