

# Carlos Santana, Daughter Of The Night

One way in and one way out  
You don't know what it's all about  
You look to the left  
You look to the right  
The brightest day and the darkest night

Chorus:  
And if you see me stealin' away  
You better believe that I'd much  
rather stay  
Daughter of the night  
Everything right  
Is getting to you baby  
Sister of the sun  
Born on the run  
Just let me move you baby  
On the road well I been told  
The people need a highway code  
The harder the chase  
The sweeter the catch  
I ain't the driver but you met your match

Chorus

You can win and you can lose  
Listen mama you got to choose  
You can give up tryin'  
Or break down cryin'  
Or keep on goin'  
Change your mind

Chorus
