

# Carlos Santana, Give Me Love

Chorus:

Give me life, oh give me love  
Its all I need, Its all I ask  
Ill give you life, Ill give you love  
Thats what I need to feel like this

Love was meant to be what you have been to me  
Not just a runnin free  
What am I gonna do to make my dreams come true  
Youre all I need, I feel

(Repeat Chorus)
