Carlos Santana, It's A Jungle Out There

(scream) I just gotta get away Cant stand it Children suffer every day

Tell me baby Whats it for Fighting daily For the turf

Were still killing each other In the name of the Lord Theres a brand new graffiti With blood on the walls

Peace... are you that far away?

Now you can feel it Other peoples pain Love can heal it Gentle as the rain

Oh, the United Nations drag their feet on the floor All they do is spend your money They dont tell you what for

Peace... what price we have to pay Peace... theres gotta be a better way

People tell me its useless to look for a way I believe that tomorrow starts right here, today

Peace... are you that far away Peace... theres gotta be a better way

Peace... are you that far away Peace... theres gotta be a better way Peace, peace Theres gotta be a better way Peace, peace oh oh oh peace
