

Carly Rae Jepsen, All That

I wanna play this for you all the time
I wanna play this for you when you're feeling used and tired
I wanna make the best of you and more
Just lay me in your arms /2x

I'll be the magic you ever see
You can always rely on me
To help you do what you want to do
I wanna be the best you've ever known
Just lay me in your arms /2x

Show me if you want me
If I'm all that
I will be that
I will be your friend
/2x

I'll be your lighthouse when you're lost to see
I'll keep my light on, baby, you can always come to me
I wanna be the place you call your home
Just lay me in your arms /2x

Show me if you want me
If I'm all that
I will be that
I will be your friend
/2x

When you need me
I will never let you come apart
When you need me
I will be your candle in the dark
When you need someone
Let me be the one
The only one
And the only one /2x

Show me if you want me
If I'm all that
I will be that
I will be your friend
Show me if you want me
If I'm all that
I will be that
I will be your friend
