

# Carly Simon, The Three Of Us In The Dark

(Carly Simon)

The three of us in the dark  
Where do I resist  
One has to go  
One is just a guest  
One is all a fire  
One is all a spark  
But here I am with the two of you  
The three of us in the dark

I didn't hear you walk in the door  
You'd called to me years ago  
I had heard  
Your voice before  
One is all a fire  
One is all a spark  
But here I am with the two of you  
The three of us in the dark

The eerie sound of one lone fiddle  
The wind is finding the tune  
And you lying here in the middle  
As innocent as the moon  
Entangled in embraces that God will never see  
Do you know me

Who am I talking about  
It all gets so confused  
And what would I do  
If I had to choose  
One is all a fire  
One is all a spark  
And here I am with the two of you  
The three of us in the dark
