

# Caro Emerald, The Wonderful In You

Then I don't know why they call you  
A dame when you look in the mirror  
Is it take? He didn't make a difference  
You're away, to him you are untamed  
Your reflection is a ruse  
The cover I can't do  
Your heart refuses to tell you the truth

Why? It's why you do it  
I can't believe that someone like you  
Surrenders every element of you  
And you abuse it  
So someone you love, you really love  
May never see the wonderful in you

Games, you never seem too tired  
Oh his games  
The make-up starts to drift, this is insane  
Another masquerade, where is the shame?  
Please forget his name  
Hands are tickin on the clock  
Too tired for a walk  
Your heart is desperately trying to find you

Why? It's why you do it  
I can't believe that someone like you  
Surrenders every element of you  
And you abuse it  
So someone you love, you really love  
May never see the wonderful in you

I'm chasing rainbows  
It's just thunder that's leaving dark behind

Why? It's why you do it  
I can't believe that someone like you  
Surrenders every element of you  
And you abuse it  
So someone you love, you really love  
May never see the wonderful in you
