Carola, Secret Love

I close my eyes and I imagine That Im holding you so close But its all just in my mind Still youre the one that I always wanted But I know its make believe That youll ever be with me Cause you belong to someone else I know So you are my secret love Its you I dream of And sometimes I cry when I think of you And I I need you so much I long for your touch But I know that you will always Be my secret love I wish that we could be together But I know its in my mind And if I had you for a lifetime Thered be no mountain we couldnt climb So if I dream that me and you Hag a love that was so true Do you believe in dreams come true I do So you are my secret love... I can never let you know I can never let it show How I want you how I need you I have to keep my secret safe Cause it would be out of place To try to make you mine, all mine So if I dream that me and you Hag a love that was so true Do you believe in dreams come true I do So you are my secret love...
