Come into my world
And singing lalala
Dance around the world

Hey sexy lady
You are what I want girl
You're what I want girl
What I want girl
Hey sexy lady
Shake that booty hot girl
Let's rock it hard girl
Rock it hard girl

Ye!
Oooh ooh
Singing la la la la la la
Oooh ooh
Singing la la la la la la

Come into my world
And singing lalala
Dance around the world

All the boys and girls
Singing lalala
Dance around the world
La la la la la la

When ever you're around
I can see it in your eyes
The feeling so strong
And I like it
You make your booty shake
Shaking like an earth quake
Just like an earth quake

Oooh ooh
Singing la la la la la la
Oooh ooh
Singing la la la la la la
Oooh ooh
Singing la la la la la la
Oooh ooh
Singing la la la la la la

Come into my world
And singing lalala
Dance around the world
And singing lalala
All the boys and girls
Singing lalala
Dance around the world
La la la la la la

La la la la la /xx

Move your body like this
Pump your body like this
Rock the beat like this
Bum bum bum like this
Feel the shock like this
Don't stop like this
From the top like this
Sing la la like this

La la la la la /xx
