

Carrie Underwood, Everything Is Beautiful

Scott:
Everything is beautiful
In its own way

Vonzell:
Like the starry summer night
Or a snow-covered winters day

Nadia:
There is none so blind
As he who will not see

Bo:
We must not close our minds
We must let our thoughts be free

Nikko:
For every hour that passes by
You know the world gets a little bit older

Jessica:
Its time to realize that beauty lies
In the eyes of the beholder

Group:
Everything is beautiful
(Is beautiful)
In its own way
(Way)
Like a starry summer night
Or a snow-covered winters day

Carrie:
Shouldnt care about the length of his hair
Or the color of his skin

Anthony:
Dont worry about what shows from without
But the love that lives within

Constantine:
Were gonna get it all together now
Everythings gonna work out just fine

Anwar:
Just take a little time to look on the good side
And straighten it out in your mind

Group:
Everything is beautiful
(Is beautiful)
In its own way
(Way)
Like a starry summer night
Or a snow-covered winters day
Everybodys beautiful
(Is beautiful)
In their own way
(Way)
Under Gods heaven
The worlds gonna find our way
Find our way
