

# Carrie Underwood, Good In Goodbye

I heard you laughing in a crowd outside a restaurant we used to go to  
I caught a glimpse that stopped me in my tracks  
It took me back  
You looked happy with that little girl up on your shoulders, happy  
I know where she got those crystal eyes of blue  
Time's been sweet to you

As bad as it was, as bad as it hurt  
I thank God I didn't get what I thought that I deserved  
Sometimes life leads you down a different road  
When you're holding on to someone that you gotta let go  
Someday you'll see the reason why  
Sometimes, yeah, sometimes, there's good in goodbye

I don't regret it  
The time we had together  
I won't forget it  
But we both ended up where we belong  
I guess goodbye made us strong  
And yeah I'm happy  
I found somebody too who makes me happy  
And I knew one day I'll see you on the street  
And it'd be bittersweet

But as bad as it was, as bad as it hurt  
I thank God I didn't get what I thought that I deserved  
Sometimes life leads you down a different road  
When you're holding on to someone that you gotta let go  
Someday you'll see the reason why  
Yeah, sometimes, yeah sometimes, there's good in goodbye  
Yeah, yeah, yeah, yeah, yeah

As bad as it was, yeah, as bad as it hurt  
I thank God I didn't get what I thought that I deserved  
Sometimes life leads you down a different road  
When you're holding on to someone that you got to let go  
Someday you'll see the reason why  
Yeah, someday you'll see the reason why  
There's good in goodbye, yeah  
Yeah

There's good in goodbye, mmm
