## Cars, A Dream Away

Cars Shake It Up A Dream Away Five in the morning, all alone in your room Door locked tight, private moon No faces to face, no one to blame Nonexistent inside this frame Take it on the run

There's a cheetah walking high Liquid whispers, dragonfly Charleston booties, painted toes Drop the knot, ivory soul Take it on the run

The good life is just a dream away

Choke emotion, lose control Chicken counters fill your bowls The lonely crowd is decomposed Lost obsession, future froze
