## Cascada, Love You Promised

cascada - love you promise

if i can only see that your love for me is not forever then i will always be free from these chains of love you bind me to oh baby baby please wont you save your kisses for another 'cause i won't be a fool for the love you promise but won't deliver

i'm just a simple girl who is hooked to your sweet charm

but the love you promise will never be here in my arms

oh baby baby please wont you leave me all alone now honey here's my one last kiss if you can't make up your mind now it's good bye

i'm just a simple girl who is hooked to your sweet charm but the love you promise will never be here in my arms
