

# Case, Driving

[Intro]

You wanna come play my sex games baby  
You still want me to taste you dont you  
Baby, baby yes I will

[Verse 1]

You and I alone up in my Benzie  
Body got me going in a frenzy  
Lets be on our way to my hide away  
So many things I like to do  
Cant hide the fact our hearts are racing  
Yeah, I can smell anticipation  
This is all for you please enjoy the view  
Ill show you things you never knew

[Chorus]

I will be driving and you will be riding  
Riding all night long to a slow song  
To a slow song  
(Repeat)

[Verse 2]

Turn the music up that joint is soothin  
Cant ignore how your bodys movin  
To kickin snare girl were almost there  
I cant believe my tinted eyes  
Look at me you got my body swervin  
An evening on me girl youre deservin to be pleased  
I think you know what I mean

[Chorus]

[Bridge]

Girl can we please go  
Up and down and side to side  
I will provide all that you need  
We can speed or take it slow  
Head to toe  
You will be pleased

[Repeat Chorus]
