

Case, Driving

[Intro]

You wanna come play my sex games baby
You still want me to taste you dont you
Baby, baby yes I will

[Verse 1]

You and I alone up in my Benzie
Body got me going in a frenzy
Lets be on our way to my hide away
So many things I like to do
Cant hide the fact our hearts are racing
Yeah, I can smell anticipation
This is all for you please enjoy the view
Ill show you things you never knew

[Chorus]

I will be driving and you will be riding
Riding all night long to a slow song
To a slow song
(Repeat)

[Verse 2]

Turn the music up that joint is soothin
Cant ignore how your bodys movin
To kickin snare girl were almost there
I cant believe my tinted eyes
Look at me you got my body swervin
An evening on me girl youre deservin to be pleased
I think you know what I mean

[Chorus]

[Bridge]

Girl can we please go
Up and down and side to side
I will provide all that you need
We can speed or take it slow
Head to toe
You will be pleased

[Repeat Chorus]
