

# Cash Cash, Cash Cash

Theres a girl inside tonight  
Cause shes got nowhere to go  
And her loves are running wild  
Oh her loves are running wild yeah yeah yeah yeah  
Theres a girl inside tonight  
Cause shes got nowhere to go  
And her loves are running wild  
Oh her loves are running wild  
And theres a voice inside her head but its told just what to say (told just what to say)  
Never loved you anyway  
Hes just a snake and youre the prey  
Hes got cash cash cash  
Hes made of money but  
Hes straight out the trash trash  
Hell rip your heart out in a flash flash flash  
Oh no youre not for sale  
Cash cash cash hes made of money but  
Hes straight out the trash trash  
Hell leave you hangin in a flash flash  
Oh no youre not for sale yeah yeah yeah yeah  
Theres a girl inside tonight  
Cause shes got nowhere to go  
And the rain keeps pourin down  
Oh the rain keeps pourin down  
And it hurts to watch her stay  
She could be loved but need a day.  
Hes got  
Cash cash cash  
Hes made of money but

Hell rip your heart out in a flash flash flash  
Oh no youre not for sale

Hes made of money but  
Hes straight out the trash trash  
Hell leave you hangin in a flash flash flash  
Oh no youre not for sale
