## Cash Cash, Michael Jackson (The Beat Goes On

Even though
The king is gone
The beat goes on and on
Even though
The king is gone
The beat goes on and on

The beat goes on and on

Michael Jackson Michael Jackson Michael Jackson Michael Jackson

Don't stop till we get enough You's a pretty young thing and I'm dangerous It don't matter if you're black or white Gotta come together working day and night So get, get, get on the floor We invincible, we unbreakable, yeah Nonstop till the break of dawn Wanna rock with you so get off the wall

Even though
The king is gone
The beat goes on and on
That's right
Even though
The king is gone
The beat goes on and on
C'mon, c'mon
Right now
The king is gone
But the beat goes on and on
Let me hear you say
Even though
The king is gone
The beat goes on and on

Michael Jackson Michael Jackson

(The beat goes on)

Dance all night Lose your mind One more time Even though the king is gone Dance all night Lose your mind One more time The beat goes on and on, yeah Dance all night (The king is gone) Lose your mind (The beat goes on) One more time Even though the king is gone Dance all night (The king is gone) Lose your mind

One more time The beat goes on and on, yeah

Even though
The king is gone
The beat goes on and on
C'mon sing it with me
Even though
The king is gone
The beat goes on and on
A little louder
Even though
The king is gone
The beat goes on and on
I can't hear you
Even though
The king is gone
The beat goes on and on
I can't hear you
Even though
The king is gone
The beat goes on and on
