

# Cash Cash, Take Me Home (feat. Bebe Rexha)

I'm falling to pieces,  
but i need this, yea i need this.  
You my fault, my weakness,  
when did you turn so cold.  
You cut me down to the bone,  
now you are dancing all over my soul.  
Im falling to pieces, to pieces, to pieces.

But i still stay 'cuz you're the only thing I know,  
So won`t you take, oooo won`t you take me home,  
Take me, hooome, hooome, hooome take me!!

Round in circles, here we go,  
with the highest highs, and the lowest lows.  
But no one shakes me like you do, my best mistake was you.  
You're my sweet affliction,  
'cuz you hurt me right, but you do it nice.  
Round in circle, here we go. ooooo ooo yea.

But i still stay 'cuz you're the only thing I know,  
So won`t you take, oooo won`t you take me home,  
Take me, hooome, hooome, hooome take me!!
