[verse 2] [eminem]

When me and fif got together to do this music

The more we became enveloped we just developed a fellowship through it

It's no pretend shit, it's friendship, me nemisis is su nemisis

Ain't for him, it's just media, see to them it's just images [come o

But this shit is no gimmicks, this is blood in and blood out (whoooo!)

When it's beef you jus' gotta know when to butt in and butt out

If there's a problem we solve it, if we don't resolve it

It just usually jus' evolves into one big brawl and we all get involved in it [yeah!]

We should all get a merit, as much beef we inherit

And wear it like a badge of honor, pass it around and share it
And let it go to whoevers holdin' the most current beef on their shoulders
And their soldiers got their backs till it's over
But tonight, we ain't comin' here to beef with nobody
We came to party, banks, cashis and mr. ferrari
So it's shady after-mizz-ath back in that ass, you izz-ass [yeah.. come on!]
Come izzon what kinda fizz-uckin' position is that.. (haaa!)

[chorus]

Who run it? [you know, you actin' like you don't know]
I tear the club up fo' sho
[this flow is gon' bring more dough]
And you know but actin' like you don't know
Who run it? [i said you know, you actin' like you don't know]
I tear the club up fo' sho
[this flow is gon' bring more dough]
And you know but actin' like you don't know {cashis, break it down now!}

[verse 3] [cashis]

Pistol play, ricochet, see where the victim lay
Slumped over bleedin', jfk
Hk to your chest plate
Cave out and ride till the death, do you rep that way
Forever ima be a shady 7-4 gangster
Plus i survived everything you got in that chamber
I thrived off-a danger, jumpin' in all beef
You keep talkin' shit, now the squad called me.. [banks!]

[verse 4] [lloyd banks]

Enough holdin' back the steam (uh), em let off a magazine
Dappadon cappa-queens, mixed in with cashis creams (yeah)
Started off with half a dream, developed into what you see
Tellin' ain't my cup of tea, can't tell im a fuckin' g [uh]
I'ma hold a 'matic, when im at it, start static and you splattered
Shit shattered, im a walkin' bitch magnet [oh!]
Spit it how i live it, live it all the way to the limit
And im always on my pivot for my digits, you dig it.. [come on!]

[chorus]

We run it! you know, you actin' like you don't know [whoa!]
I tear the club up fo' sho [fo' sho!]
This flow is gon' bring more dough [more dough!]
And you know but actin' like you don't know [don't know!]
Who run it? you know, you actin' like you don't know [yeah!]
I tear the club up fo' sho
This flow is gon' bring more dough
And you know but actin' like you don't know
