

# Cashless, Dead End

It's so hard, so hard to smile when the magic is gone and hell,  
there's no way to go on.

When silence is all that's left from you, well I'm losin'you.

There's no more to say and the fire in your eyes has gone away.

Where are the good old days as we were so close, so fuckin good friends  
and now we're on the way to the end.

Seems like we're stuck in a dead end,

Feels like I'm losin'a friend.

Seems like you're fadin'forever.

Go turn around and start again.

It's so hard to see what happened to you,

I can not believe that it's true.

I don't understand your arrogance, well it's killing you.

There's no more to say and the fire in your eyes has gone away.

Where are the good old days as we were so close, so fuckin good friends  
and now we're on the way to the end.
