

# Cashmere Cat, Wild Love (ft. The Weeknd & Francis And The Lights)

Wild love,  
My love

I don't know, if it's even for real  
But I know, that it's wild love  
Love /20x  
Oh, baby!  
Alright!  
Wild love,

Love, Love, Love , Love  
Love you  
/10x

It's a wild love when I love you, love  
It just keeps coming for you  
That is power of love,
