

# Cat Power, Wonderwall

Today is gonna be the day  
That they're gonna throw it back to you  
By now, you should've somehow  
Realized what you gotta do  
And I don't believe that anybody  
Feels the way I do about you now

Backbeat the word is on the street  
That the fire in your heart is out  
I'm sure you've heard it all before  
But you never really had a doubt  
I don't believe that anybody  
Feels the way I do about you now

Today was gonna be the day  
But they'll never throw it back to you  
By now you should've somehow  
realized what you're not to do  
I don't believe that anybody  
Feels the way I do about you now

I said maybe  
You're gonna be the one who saves me  
After all, you're my wonderwall
