

Catalin Josan, Don't wanna miss you

Ohhh,Ohhh

You say you love me every day
And then you always run away
I don't know what I need to do
To show you I am in love with you

You are the one
It's not just for fun

Don't wanna miss you,tonight
I wanna kiss you so right
Don't wanna miss you,tonight
I want to kiss you untill the sunrise

I don't know why
You want to tease me so
You make me crazy about you
And then you go
Baby, you just turn me upside down
I think I am going to lose my mind

You are the one
It's not just for fun

Don't wanna miss you,tonight
I wanna kiss you so right
Don't wanna miss you,tonight
I want to kiss you untill the sunrise

I am talking to you
You don't seem to hear
My feelings for you are crystal clear
Oh,please take my hand
You will understand
I just wanna have you always near

You are the one
It's not just for fun

Don't wanna miss you,tonight
I wanna kiss you so right
Don't wanna miss you,tonight
I want to kiss you untill the sunrise
/2x

Ohhh,Ohhh,Ohh
Don't wanna miss you,tonight
I wanna kiss you untill the sunr?se
