

# Catch 22, So Cold

The whole set of lyrics

Come on in and take a load off.  
Pull yourself up a chair so we can have a talk.  
Has it really been that long?  
And how did we get so old?  
What's the problem man?  
You seem a little cold.  
Let's take a walk.  
I don't care where we end up.  
We'll have a rap about nothing and never shut up.  
And I can rhyme up with up when I damn well please and it's no bother.  
I'll end this verse with ease.  
I can't believe you're still mad about that!  
I can't believe you're still living in the past!  
I can't believe you haven't figured out yet... Figured out that...

Life's obnoxious.  
This I know.  
When'd you get so serious?  
How'd you get so cold?

Life's obnoxious.  
This I know.  
When'd you get so serious?  
How'd you get so cold?  
How did you get so cold?

Come on in and take a load off.  
Pour yourself up a drink and leak it out the top.  
Has it really been that long?  
And how did we get so old?  
What's the problem man?  
You seem a little cold.  
I can't believe you're still mad about that!  
I can't believe you're still living in the past!  
I can't believe you haven't figured out yet... Figured out that...

Life's obnoxious.  
This I know.  
When'd you get so serious?  
How'd you get so cold?

Life's obnoxious.  
This I know.  
When'd you get so serious?  
How'd you get so cold?  
How did you get so

I miss you more than you'd ever let me let you know!  
I miss your face like all those days that I just can't replace!

I can't believe you're still mad about that!  
I cant believe you're still living in the past!  
I cant believe you haven't figured out... Figured out that...

Life's obnoxious.  
This I know.  
When'd you get so serious?  
How'd you get so cold?

Life's obnoxious.  
This I know.  
When'd you get so serious?  
How'd you get so cold?  
How did you get so cold?
