Cats On Trees, Sirens Call

Whatever way, the same Nothing according to plan If i could just see clearly, into you The same face every day, the sirens calling away This mean so much more

The floating boat is carrying me and i can live my story differently the greedy sirens are chewing all around me While i sing oh On the falling shoals, i wonder why me ? On my way to the falls, i hope you see We are heading to the wall even if you are sorry, While i sing oh

In my sleep, nothing same nothing according to plan If i could be someone, without you The same smile everyday The sirens calling away This mean so much more
