Memory
GRIZABELLA:
Midnight, not a sound from the pavement
Has the moon lost her memory?
She is smiling alone
In the lamplight the withered leaves collect at my feet
And the wind begins to moan

Every street lamp seems to beat a fatalistic warning Someone mutters and the street lamp gutters And soon it will be morning

Memory--All alone in the moonlight I can smile at the old days I was beautiful then I remember the time I knew what happiness was Let the memory live again
