Are You Man Enough

Dreams, babe, are made of emotion

Shadows and dark deep devotion

Stay here, my heart is on fire

Oh, I won again

My heart is in your hands

My heart is burning, turning

Over and over, my friend

Are you man enough ?

But baby are you really tough ?

To take my heart away, my love

Don't look back ! Here I am just for you

Are you man enough ?

Oh baby are you really tough ?

If you light the flame of love

On the wings of my love we will fly

Love me like there's no tomorrow

Give up the fears and the sorrows

Passion of love stays forever

Didn't I tell you that I need you so ?

My heart is burning, turning

Over and over again

Keep the fire burning in your soul

Oh, my heart is losing its control

What I got is what you need tonight
