

CDB, Back Then

CDB

Lifted

Back Then

(B.Pinto / G.Pinto / B.Van Geyzel)

Do you remember when life seemed so simple then

that summer in the park

back then it was the perfect time for love

we laughed like children then those days should never end

two lovers our own world

back then it was the perfect time for love

that first time I saw your face

(I never knew that I could feel this way)

I could be falling in love

It was so long ago, why did you have to go

Take all those years from me

back when it was the perfect time for love

you play a different tune to our love I once knew

our symphony is through

Oh, it was the perfect time for love

that first time I saw your face

(I never knew that I could feel this way)

I could be falling in love

I've always tried, to hold onto my love

not give up on 'till whatever the cost

(Since you've been gone)

I've been trying to find a way back to your love (to your love)

Do you remember when life seemed so simple then

Back then, it was the perfect time for love...
