

# Celeste, Father's Son

[Verse 1]

Maybe I care, maybe you don't  
Maybe I'll let go, maybe you won't  
Could there be two of us?  
Could there be two?  
Maybe I'm lonely, maybe you're lost  
Maybe I'm an echo and maybe you're a ghost  
Could there be two of us?  
Could there be two of us?

[Pre-Chorus]

I know you look at yourself like me  
With the same eyes, we both see through to the end  
Through to the end

[Chorus]

I heard it's in your blood, baby  
I heard you got the same taste in your mouth  
You know that's nothing new, baby  
We try hard to change but it's still the same  
Maybe I'm my father's son, maybe I'm my father's son  
Oh, I'm nothing like you, no, I'm nothing like you  
Maybe I'm my father's son, could've been anyone  
Oh, I'm nothing like you, no, I'm nothing like you

[Verse 2]

Maybe I'm right, maybe you're wrong  
Maybe you'll say I am, maybe you'll say no  
Could there be two of us?  
Could there be two of us?

[Pre-Chorus]

I know you look at yourself like me  
With the same eyes, we both see through to the end  
Through to the end

[Chorus]

I heard it's in your blood, baby  
I heard you got the same taste in your mouth  
You know that's nothing new, baby  
We try hard to change but it's still the same  
Maybe I'm my father's son, maybe I'm my father's son  
Oh, I'm nothing like you, no, I'm nothing like you  
Maybe I'm my father's son, could've been anyone  
Oh, I'm nothing like you, no, I'm nothing like you
